

ANCIENT GAELIC BLESSING

Deep peace of the quiet earth to you
Deep peace of the shining stars to you
Deep peace of the gentle night to you
Moon and stars pour their healing light to you
Deep peace to you, deep peace to you

May this shawl be for you a sign of God's loving, healing presence.
May it warm you when you are weary;
May it surround you with encouragement when you are discouraged.
May it assure you of care and comfort from loved ones when you are
in pain.
May it remind you that many pray for you each day.
May God bless you each day with courage and strength.

Cloak yourself in this shawl in good times and bad times, when you
are cold and when you are lonely. When you are happy and
remember that you are blessed with a community praying just for
you.

Each stitch has been made as a prayer for you. The shawl has been
blessed by the prayers of many, said just for you.
