

Isaiah Ministry

The mission of the Isaiah Ministry is to pray for parishioners, their families or friends who are suffering from ill health. In addition the committee makes “care bears” and prayer shawls to give as a tangible sign of support when requested.

Ministers of Care sometimes request bears or shawls for those they serve. Any parishioner may request prayers, bears or prayer shawls by contacting:

Nancy Donovan at 708-687-6891 or menancylee@hotmail.com

Anyone wishing to pray, make prayer shawls or care bears may also contact the above persons.
