

Society of St. Vincent de Paul
Seeks Vehicle Donations to Help the
Needy

We are accepting donated vehicles through our “Wheels for the Needy” program. Anyone with an unwanted vehicle in any condition is encouraged to make a tax-deductible donation. RVs, boats, golf carts and other vehicles are accepted.

The Society will arrange for the vehicle and the vehicle's title and keys to be picked up. Donors will receive a receipt for the amount the vehicle was sold for.

Your vehicle donation can help our volunteers provide emergency assistance with rent, utilities, transportation, food, clothing and furniture to help a neighbor in need get through a crisis.

Call 312-655-7183 or on the Internet www.svdpchicago.org and click on donations.
