

The Saint Damian Woman's Club is an organization of Catholic women ages 18 and over. Our main objective is to provide well organized, informative and social activities on a monthly basis.

We also provide programs of spiritual support and encouragement. Doing charitable works is one of our main purposes and we give temporary help for our parish functions. Basically we are hostesses.

Our club is a very active one and we enjoy many special programs. We consider ourselves a "little family" and we do love the time we spend together.

We meet on the 3rd Tuesday of every month at 7:00 PM in Shaw Hall from September through June. Membership is open to all women in the parish 18 and over or those who have an affiliation with a registered parish member.

Come join our "little family" and have the time of your life.
