

History of Christ Renews His Parish (CRHP) at St. Damian

Father Mike Meany was approached about a program being held at parishes across the Archdiocese called **Christ Renews His Parish**. Father Mike is always open to having the community experience Christ's love and grace and to know that Christ has called each person by name. So he decided to check out the program.

Before the first weekend was held at our parish eleven men and then eleven women attended an overnight retreat at Techney to experience **Christ Renews His Parish**.

2010 marks the ten year anniversary celebration of **CRHP** at St. Damian and we are blessed in all the graces that Christ gives a community to share in His love.
